

MARQUEES

Job Description

<u>Job Title:</u>	Event Crew/Marquee Erector/Driver
<u>Job Purpose:</u>	To assist Foremen in the production of events across the Cotswolds in 2021

Introduction

Spaceintense provide marquees and infrastructure (lighting, power, flooring, & furniture) for events (weddings, festivals, private parties etc.) across the Cotswolds and surrounding area. Whilst we operate year-round, our busiest months are between May-September, when we increase the size of our crew accordingly.

This work is ideal for someone wishing to earn significantly during the summer season with a view to travel, study or other winter employment.

The Role

As Event Crew/Marquee Erector you will be responsible for:

- Loading & Unloading Vehicles
- Erecting & Dismantling Marquees
- Rigging/De-rigging Lighting, Sound Systems, and Decor.
- Laying/Lifting Flooring, Staging and Furniture.
- Cleaning and Maintaining Equipment

Job Requirements

We are seeking crew who are **reliable, hardworking, and enjoy working outside**. The role involves a lot of heavy lifting so would be a good fit for someone who is able to handle heavy equipment. You must **function well within a team** but also have the **confidence and initiative to work independently**. We pride ourselves on our customer service – so it is important that you are **well-mannered, enthusiastic, and presentable at all times**.

The working day is normally 8:00AM - 5:00PM, however due the nature of the industry, it is sometimes necessary to work later to ensure that we meet our deadlines and fully satisfy our customers.

No prior experience necessary (although desirable): training will be given on all aspects of erecting/dismantling marquees and the installation of event infrastructure.

For drivers – a clean driving license is required, and LWB experience desired.

Pay

Rates of pay are above the National Living or Minimum wage (plus holiday pay) and will depend on age, experience and driving qualification.

Higher rates can be offered to van drivers (C1 License Holders), those who take on extra responsibilities, and/or those who possess skills which may add to our team (e.g. Carpenters, Electricians).

If you are required to work before 7AM or after 7PM or anytime on Sundays you will receive 1.5x your hourly rate.
